CLIMATE CELL

The Climate Cell of K.D.K. College of Engineering is formed. Following members shall be the members of cell.

Objectives of Climate Change / Climate Action Cell

1. To create awareness among students, faculty, and staff about climate change and its environmental, social, and economic impacts.
2. To promote sustainable practices such as energy conservation, water management, waste reduction, and use of renewable resources on campus.
3. To encourage research, innovation, and projects related to climate change mitigation and adaptation.
4. To organize workshops, seminars, campaigns, and outreach programs on climate action and environmental protection.
5. To support initiatives aimed at reducing the institution's carbon footprint and promoting green campus practices.
6. To collaborate with government agencies, NGOs, and other institutions for climate-related activities and programs.
7. To integrate climate literacy and sustainability concepts into academic and co-curricular activities.
8. To monitor, document, and report climate-related initiatives and best practices of the institution.
