

K.D.K. COLLEGE OF ENGINEERING, NAGPUR

Department of Information Technology

Department Advisory Board (DAB)

Objectives:

1. The Departmental Advisory Board (DAB) was formed with the goal of creating a bridge between industry and academics considering the latest requirements of the industry and incorporating necessary components in the curriculum as much as possible.
2. To guide the Programme Assessment and Quality Improvement Committee (PAQIC) regarding overall development of the department.

Role and responsibilities:

1. To finalize all academic decisions of the Department.
2. On receipt of the report of the Programme Assessment and Quality Improvement Committee (PAQIC), the DAB monitors the progress of the programme.
3. The DAB develops and recommends new or revised programme goals and objectives.
