

K.D.K. College of Engineering
Department of Electrical Engineering
Details of Guest lectures, Expert lecture Delivered

Sr. No.	Name of Faculty	Topic	Name of FDP/STTP/Workshop etc.	Date & Place
1.	Prof. C. S. Hiwarkar	Electrical & Electronic Measurement	AICTE Prerana scheme (GATE preparation) for SC/ST students.	09/09/2020 Anjuman college of Engineering, Nagpur
2.	Prof. C. J. Sharma	Control System	AICTE Prerana scheme (GATE preparation) for SC/ST students.	20/09/2020 Anjuman college of Engineering, Nagpur
3.	Prof. C. J. Sharma	Electrical Machines	AICTE Prerana scheme (GATE preparation) for SC/ST students.	27/09/2020 Anjuman college of Engineering, Nagpur
4.	Prof. C. S. Hiwarkar	Electrical & Electronic Measurement	AICTE Prerana scheme (GATE preparation) for SC/ST students.	30/10/2020 Anjuman college of Engineering, Nagpur
5.	Dr S. S. Ambekar	Introduction to Smart Grids	Two weeks AICTE sponsored online Faculty Development Program (FDP) on "Introduction to Smart Grid (ITSG-2020)" PHASE-I& PHASE II	23/11/2020 & 07/12/2020 Department of Electrical Engineering, KDKCE, Nagpur
6.	Dr G. H. Agrawal	Operation & Control of Power Electronic Components in Smart Grid	Two weeks AICTE sponsored online Faculty Development Program (FDP) on "Introduction to Smart Grid (ITSG-2020)" PHASE-I	24/11/2020 Department of Electrical Engineering, KDKCE, Nagpur
7.	Dr D. M. Holey	Introduction to Energy Storage and Energy Management systems	Two weeks AICTE sponsored online Faculty Development Program (FDP) on "Introduction to Smart Grid (ITSG-2020)" PHASE-I	25/11/2020 Department of Electrical Engineering, KDKCE, Nagpur
8.	Dr. Sudha Srikantha	Opportunities in the Field of Electrical Engineering	Induction Program	28/11/2020 Madhuben & Bhanubhai Patel Institute of Technology, CVM University, Vidya Nagar, Gujarat
9.	Dr S. S. Ambekar	Operation of Hybrid AC/DC Grid	Two weeks AICTE sponsored online	30/11/2020 & 15/12/2020

			Faculty Development Program (FDP) on “Introduction to Smart Grid (ITSG-2020)” PHASE-I & PHASE II	Department of Electrical Engineering, KDKCE, Nagpur
10.	Dr D. M. Holey	151.2 KWp Grid Connected Rooftop Solar PV PowerPlant at K D K College of Engineering, Nagpur	Two weeks AICTE sponsored online Faculty Development Program (FDP) on “Introduction to Smart Grid (ITSG-2020)” PHASE-I & II	30/11/2020 Department of Electrical Engineering, KDKCE, Nagpur
11.	Prof. C. S. Hiwarkar	Power Quality issues in Smart Grid	Two weeks AICTE sponsored online Faculty Development Program (FDP) on “Introduction to Smart Grid (ITSG-2020)” PHASE-I	03/12/2020 Department of Electrical Engineering, KDKCE, Nagpur
12.	Dr D. M. Holey	Carrier opportunity after Graduation	Seminar	07/02/2020 Suryodaya College of Engineering and Technology
13.	Prof S. D. Bhaisare	Case study of Grid connected Solar Power Plant at KDKCE, Nagpur	Two weeks AICTE sponsored online Faculty Development Program (FDP) on “Introduction to Smart Grid (ITSG-2020)” PHASE-II	16/12/2020 Department of Electrical Engineering, KDKCE, Nagpur
14.	Prof S. K. Mude	Role of Electric Vehicles in Smart Grid	Two weeks AICTE sponsored online Faculty Development Program (FDP) on “Introduction to Smart Grid (ITSG-2020)” PHASE-II	17/12/2020 Department of Electrical Engineering, KDKCE, Nagpur
15.	Dr S. S. Ambekar	Indian Knowledge Systems, Languages, Art & Culture	AICTE organized FDP on NEP 2020	09/04/2020 KDKCE, Nagpur
16.	Dr S. S. Ambekar	CRITERION -VI: Facilities and Technical Support	Virtual National Level One week FDP on NBA Accreditation Process	25/08/2021 Department of Mechanical Engineering, KDKCE, Nagpur
