**Date: 15<sup>th</sup> October 2023**

## **Activity Report**

**Objective** – The program aims to recognize the importance of education as an enabling tool for human rights and personal and social development. It promotes excellent education for everyone, regardless of background.

**Description-** Department of Master of Computer Application, KDK College of Engineering, and Nagpur organized one day celebration of Dr. APJ Abdul kalam's 93rd birth anniversary on 15th October 2023 under Forum “M-SHIV”. This day is also celebrated as world student’s day, because Dr. APJ Abdul kalam spent his whole life in welfare of students. Dr. Anup Bhangе (HOD), Department of MCA delivered an interesting lecture on the Biography of Dr. APJ Abdul kalam. He highlighted the main achievements and thoughts of Dr APJ Abdul Kalam by putting light on APJ Abdul Kalam’s contribution to the Indian society and how, he played each and every rule with such perfection and enthusiasm. Kalam was known as the missile man of India for his works and development of missiles and won many prestigious awards including Bharat Ratna, Padma Bhushan, Padma vibhushan. In his lecture, he inspired the students on Kalam’s sayings that a dream is not that you see while sleeping it is something that does not let you sleep. Late Dr. APJ Abdul Kalam was the 11th president of the India. Dr Anup Bhangе also shared that how Dr. APJ Abdul Kalam contributed in various fields and contributed to make India a great country and inspired the youth through his work. He also motivated students to read books of Dr APJ Abdul Kalam like wings of fire, India 2020, Turning points etc.

Prof. Minal Solanki, Prof. Arti Virutkar, Prof. Darshan Khirekar, Faculties were also present to pay obeisance to Dr. Kalam. All the students of MCA 1st year gathered to mark the 93rd birth anniversary of Dr. APJ Abdul Kalam with patriotic fervour. In the end of program, college students got the message, “Get active! Take responsibility! Work for what you believe in. If you don't have faith, you are putting your destiny in the hands of others.

### **Outcome –**

At the end of this Program students will be able to:

1. Self-confidence and self-esteem.
2. Work Hard & Dreams Big.
