Activity Report (Session: 2025-2026)

Category of the Activity:	Awareness Campaign		
Title of the Activity	"Outreach activity"		
Coordinator	Dr. K. S. Chandwani, Prof. D. W. Wanjari		
Date of Activity	30 th March 2026		
No. of Students Involved:	Male: 27	Female: 19	Total: 46

Brief about an Activity	On 30th March 2026, the Department of Computer Science and Engineering, KDK College of Engineering, Nagpur, conducted an Outreach Activity at Jagruti Tribal Ashram School, Nagardhan, Taluka Ramtek, District Nagpur, under the banner of PICSEL. The initiative aimed to promote social interaction, learning, and overall development among the school students. During the visit, college students spent quality time with the children and conducted various engaging activities, including educational sessions, interactive games, and awareness discussions on hygiene and good habits. The activity created a joyful and encouraging learning environment for the students.
Objectives	1. To interact and connect with school students 2. To promote learning through fun and engaging activities 3. To spread awareness about hygiene and good habits 4. To encourage social responsibility among college students
Outcomes	1. Improved confidence and participation among school students 2. Better awareness of hygiene and healthy practices 3. Strengthened bond between college students and the community

Report:

A click that interact and connect with school students

On 30th March 2026, the Department of Computer Science and Engineering, KDK College of Engineering, Nagpur, organized an Outreach Activity at Jagruti Tribal Ashram School, Nagardhan, Taluka Ramtek, District Nagpur, under the banner of PICSEL. The main aim of this activity was to interact with school students, spend quality time with them, and contribute to their learning and overall development.

During the visit, college students engaged with the children through various activities such as educational sessions, interactive games, and awareness discussions on hygiene and good habits. In between the sessions, college students also performed skits in front of the school students, which were both entertaining and informative, helping to convey important messages in an engaging way.

The children actively participated in all the activities with great enthusiasm, making the event lively and meaningful. The interaction between college students and school children helped in building a positive connection and encouraged a spirit of sharing knowledge and experiences.

Overall, the outreach activity was successful in creating a joyful learning atmosphere and promoting a sense of social responsibility among the participants.
