

PROGRAMME EDUCATIONAL OBJECTIVES

PEO	STATEMENT
Graduates of Information Technology will	
PEO1	establish successful careers as software engineers, IT consultants, or system analysts in global enterprises, demonstrating core computing expertise, adaptability to disruptive technologies, and a commitment to continuous professional development.
PEO2	pursue higher education, engage in impactful research, or establish tech ventures, translating core IT principles into scalable, innovative solutions that solve real-world industry and environmental challenges.
PEO3	advance into leadership roles within multidisciplinary teams, practicing high standards of professional ethics, social responsibility, and effective communication to drive inclusive digital transformation.
