Department of Computer Science And Engineering
Activity Report (Session: 2025-2026)

Category of the Activity:	Digital Safety Awareness
Title of the Activity	Awareness On Cyber Security
Coordinator	Dr. K. S. Chandwani, Prof. D. W. Wanjari
Date of Activity	8 Aug 2025
No. of Students Involved:	Male: 26 Female: 26 Total: 52
Association/Collaboration	SBI Bank
Brief about an Activity	KDK College of Engineering, in collaboration with State Bank of India, recently organized a Cyber Security Awareness event aimed at educating students and faculty about the growing importance of digital safety. The session highlighted key aspects of cybercrime, including phishing, identity theft, and online fraud, while emphasizing the need for secure digital practices in everyday life. Experts from SBI Shared valuable insights into safe banking procedures, fraud prevention techniques, and the legal frameworks surrounding cybercrime in India. Through interactive discussions and real-life case studies, the event encouraged participants to adopt responsible online behavior and stay vigilant in an increasingly connected world.
Objectives	1. Educate Participants 2. Promote Safe Digital Practices 3. Raise Awareness 4. Empower Students and Faculty 5. Highlight Legal Frameworks 6. Strengthen Collaboration
Outcomes	1. Attendees learned actionable tips for secure banking, safe browsing, and identifying phishing attempts. 2. The session encouraged individuals to report cyber incidents and understand the legal recourse available. 3. The collaboration between academia and the banking sector fostered a shared commitment to digital safety. 4. The event received strong engagement and appreciation from attendees, indicating its relevance and impact.

Report:

Students knowing the importance of cyber security awareness

On August 8, 2025, the Department of Computer Science and Engineering at KDK College of Engineering, Nagpur hosted an enlightening and impactful event titled "AWARENESS ON CYBER SECURITY ", aimed at educating students about the critical importance of digital safety in today's interconnected world. The camp was designed to instill a strong foundation in cybersecurity principles, promote responsible online behavior, and equip participants with practical tools to safeguard their digital identities.

Key Highlights

- Session 1 – Cyber Hygiene

Students were introduced to the basics of cyber hygiene, including password management, phishing awareness, and safe browsing practices. Real-life scenarios were used to illustrate common threats and how to avoid them through the skit play performed by sbi bank employees

- Session 2 – Ethical Hacking & Defense Mechanisms

A thrilling live demo showcased ethical hacking techniques and how attackers exploit vulnerabilities. Participants learned how to think like a hacker to better defend systems and networks.

- Session 3 – Data Privacy & Legal Frameworks

Experts discussed the importance of data privacy, relevant laws like the IT Act and GDPR, and the ethical responsibilities of digital citizens. Students explored how legal frameworks protect users and organizations.
