Report on the Induction Program for 3rd Semester Students

An "Induction Program for 3rd semester" was organized to welcome the students of the Department of Mechanical Engineering at K.D.K. College of Engineering (KDKCE) on 20th June 2024. The event aimed to familiarize students with the academic aspects of their course, the institute's rules and regulations, and ensure parental involvement in monitoring the students' performance and progress.

Vivek B. Vaidya, the Class Incharge for the 3rd semester, opened the event by welcoming the distinguished guest, Dr. Valsson Varghese, Principal of KDKCE. Dr. Varghese shared his experiences as an engineering researcher and faculty member, urging students to stay abreast of the changing trends in engineering and to prioritize their studies.

Dr. Atul C. Waghmare, Head of the Department (HOD) of Mechanical Engineering, introduced the department, highlighting the faculty's extensive experience and excellent educational qualifications. He emphasized the department's strengths, including various clubs and facilities such as the ROBO and AUTO Clubs, the Incubation Center, the Entrepreneurship Development Cell, the Mechanical Engineering Students' Association (MESA), and the numerous laboratories available to students.

Dr. A.V. Vanalkar discussed the workings and benefits of the Incubation Center, focusing on how it helps develop students as incubators and the various fund-generating techniques.

Professor V.N. Mujbaile shared insights into the activities conducted under the Entrepreneurship Development Cell to foster entrepreneurship among students.

Dr. A.P. Ninave explored the various activities of MESA and outlined the proposed activities for the department.

Prof. Mayur Shelke highlighted the technical activities conducted at state and national levels under the ROBO and AUTO Clubs.

Dr. P.G. Mehar provided information on various government academic schemes and the benefits of extension, outreach, and Unnat Bharat activities in the academic curriculum.

The session was highly interactive, with students actively participating in discussions led by the resource persons. The informative nature of the session left students highly motivated and eager to engage with the opportunities provided by the department.
