| Brief about an Activity | On 4 <sup>th</sup> September 2025, the Department of Computer Science and Engineering, KDK College of Engineering, Nagpur, organized a <b>"Teacher's Day Celebration"</b> under the banner of the departmental forum PICSEL. The aim of this activity is to honor teachers with fun, joy, and gratitude while strengthening the bond between teachers and students. The program will feature a variety of <b>fun games, activities, and light-hearted dares</b> specially arranged for teachers to enjoy and relax. After the activities, <b>snacks and refreshments</b> will be served, followed by a cheerful <b>dance with students</b> to make the day even more memorable. |
| Objectives              | The objective of Celebrating Teacher's Day is to express gratitude and appreciation towards teachers by celebrating their contribution through fun-filled games, activities, and joyful interactions. The program aims to create an atmosphere of relaxation, enjoyment, and togetherness while fostering stronger student-teacher relationships and encouraging a spirit of respect, bonding, and celebration.                                                                                                                                                                                                                                                                 |
| Outcomes                | Teachers' Day celebration under PICSEL created a <b>vibrant environment of joy and togetherness</b> . Teachers actively participated in the games and activities, which gave them a <b>refreshing break</b> from routine. Students got an opportunity to <b>express gratitude in a creative way</b> , leading to stronger bonds, mutual respect, and cherished memories.                                                                                                                                                                                                                                                                                                        |
