Brief Information about the Activity

Topic of Activity	“Vividhata Me Ekta” on the occasion of “Rashtriya Ekta Diwas”
Objectives	Unity in diversity is the identity of India. We have such a vast range of cultures, all the way from Kashmir to Kanyakumari, from Bihu to Bharatnatyam, from Mandir to Masjid, and from Lugda to Lungi, that makes our nation a glorious blend of colors and customs. And that’s not even the best part. The best part would be the fact that all of this heterogeneity manages to co-exist together. This isn’t just the identity of our country, but the duty of each and every citizen. This unity will remain and blossom only if everyone takes it up as their responsibility to live up to it.
Methodology	Traditional Dress Competition.
Outcome	K.D.K. College of Engineering administered the Rashtriya Ekta Diwas pledge to motivate to strive to maintain the unity and integrity of the country. Students know the idea of a sustained and structured cultural connect between denizens of different regions during the Rashtriya Ekta Divas held on 31st October 2023, to commemorate the birth anniversary of Sardar Vallabhbhai Patel, cultural diversity is a joy that ought to be celebrated through mutual interaction & reciprocity between people of different States so that a common spirit of understanding resonates throughout the country.
