आदरणीय महोदय/महोदय,

As you are aware, recent studies indicate a troubling rise in tobacco consumption among the youth. Tobacco smoking and chewing are not only harmful on their own but also often serve as a gateway to the use of other substances, including drugs, within school and college environments.

To address this growing concern and to promote awareness about the dangers of tobacco use, particularly among adolescents, the Ministry of Education has launched an Awareness Quiz through the MyGov portal. This initiative precedes the global observance of **World No Tobacco Day (WNTD)**, held annually on 31st May.

In alignment with this year's WNTD theme, "Unmasking the Appeal: Exposing Industry Tactics on Tobacco and Nicotine Products," the Department of School Education and Literacy (DoSEL), in collaboration with NCERT and MyGov, is conducting the World No Tobacco Day Awareness Quiz – 2025 on the MyGov platform.

This interactive initiative is designed to educate students, teachers, and the general public about the harmful effects of tobacco in an engaging and informative way. It also seeks to foster strong societal norms and discourage tobacco use and provide resources for those seeking help with cessation.

The quiz is live from 22nd May 2025 to 21st July 2025 and can be accessed at: <https://quiz.mygov.in>. All participants will receive an e-certificate of participation upon successful completion of the quiz.

All Higher Education Institutions are encouraged to actively promote the quiz among students, faculty, staff, and parents, and to motivate broad participation in order to raise awareness about tobacco-related issues. Institutions are also requested to take further proactive measures to contribute to the success of this important awareness initiative.

Your active support and collaboration in this national campaign will play a vital role in safeguarding the health and well-being of our youth.

सादर,

भवदीय,

(मनिष जोशी)

Report

KDK College of Engineering, Nagpur
An Autonomous Institute
Session 2025-26
World No Tobacco Day (WNTD)-2025
Event Report

Date: 02/06/2025

World No Tobacco Day (WNTD) is observed annually on **May 31st** to raise awareness about the harmful effects of tobacco use and to advocate for policies that aim to reduce tobacco consumption. Organized by the **World Health Organization (WHO)**, the day serves as a reminder to protect public health and promote healthier lifestyles.

In line with this, the **Department of School Education & Literacy, Ministry of Education, Government of India**, in collaboration with **MyGov**, has launched an **Online Tobacco Awareness Quiz** to educate citizens about the harmful effects of tobacco use and the deceptive strategies employed by the tobacco industry.

The quiz was designed to test participants' knowledge of the health risks of tobacco use, Second hand smoke hazards, Tobacco industry tactics, Benefits of quitting tobacco, Tobacco control laws and public health policies. Participants got E-certificate on submission of online quiz.

Theme for 2025: "Unmasking the Appeal: Exposing Industry Tactics on Tobacco and Nicotine Products" The theme for this year focuses on exposing the manipulative tactics used by the tobacco and nicotine industries to attract new consumers, especially young people. This year's WNTD emphasizes the need to raise awareness about these tactics and promote the message of **"Say NO to Tobacco, YES to Health"**.

The quiz served as an effective educational tool to Promote tobacco-free lifestyles, Encourage critical thinking regarding peer pressure and advertising by the tobacco industry, Reinforce the role of youth in tobacco control advocacy.

Dr. V.P. Varghese, Principal, & **Dr. A.M. Badar**, Vice Principal KDKCE, Nagpur appreciated the efforts taken for the event. The Event was coordinated by **Dr. Dipali Satone**, who dedicatedly worked hard, which made the event a success.
