To,

The Director/Principal,
All AICTE Approved Institutes
Dear Sir/Madam,

Prof. Raut
Pl. do needful
R. B. S.

As your good self might be aware, physical inactivity is one of the major key risk factors for Non-Communicable Diseases (NCDs) which account for 63% mortality in India. As per National NCD Monitoring Survey, 41.3% Indians are physically inactive.

To address the above issue, the Ministry of Health & Family Welfare (MoHFW) is organizing a Cycling Event on 3rd June, 2023 (Saturday) on the occasion of World Bicycle Day to create awareness on the importance of physical activities.

In view of the above, I would request your Institute to actively participate in the above event by organizing Cycling related events in your campus on 3rd June 2023 with a motive to create awareness for physical activities. In the above event public from different sections of the society may also be engaged to garner widespread support.

Photographs/videos of the Cycling Events shall be shared/uploaded on the social media platform of the Institute tagging AICTE, MoE and MoHFW. You are also requested to upload the same on the following link:
